### Our Values

At Alfredton we aim to be MIGHTY oaks

- Motivated
- Imaginative
- Giving respect
- Happy
- To be Adaptable
- You're Confident

## Strategic Goals 2019-2021

### Strategic Goal 1:

Alfredton School will ensure we provide an effective teaching and learning environment for our students.

**2019**

To explore and use effective teaching practices that lead to agency and accelerated academic progress in Writing

**2020**

To continue with our new teaching and learning practices explored through Writing and embed them in to Reading and Mathematics

**2021**

To continue using these practices across the wider curriculum

### Strategic Goal 2:

Alfredton School will create a curriculum that develops a sense of pride in our school and focuses on our environment and local agricultural community

**2019**

To explore and draft a new Alfredton School Curriculum

**2020**

To implement and finalise our new Alfredton School Curriculum

**2021**

To ensure that the Alfredton School Curriculum is embedded into all that we do

### Strategic Goal 3:

Alfredton School will enhance the collaborative practices within the school, within our local community and wider school network

**2019**

To develop a staff culture that focuses on working collaboratively within the school and across the local community

**2020**

To develop a collaborative learning environment that goes beyond just the adults in our school

**2021**

To ensure that our collaborative practice is embedded into all that we do
