Friday 6 th December	Production 6pm
Thursday 12 th December	Christmas Tree Night
Monday 16 th December	Term 4 ends

SCHOOL NEWS & REMINDERS

LOGO DESIGN

Don't forget to get your logo design in by the end of October :)

SCHOLASTIC BOOK CLUB

Orders need to be in by Friday 25th October.

TERM 3 IN HUIA

Throughout Term 3 Huia Room focused on 'emotional wellbeing'. This was approached in a variety of ways; using the Disney story 'Inside Out'; Reading and completing activities on the book called 'Wonder' by R.J. Palacio; and the book Aroha's Way by Craig Phillips.

The key attributes found by the students through this learning were that everyone experiences different feelings and emotions, we all react differently, it is important to be kind to everyone, we all have our own way of dealing with things, we need to stop and think, there is no normal, don't judge others by the way they look, and much more. Most of this learning was shared in Term 3's Huia assembly.

Feel free to talk to your child/ren about why it was important to learn about these life long skills which they will need to be able to apply in variety of situations.

If you have had any concerns about this learning, please feel free to contact either Claire or Brenda as they are happy to discuss this further with you.

PETS DAY REMINDERS

Could we please have the Points Prize Cups and the Family Challenge Trophy returned to school as soon as possible.

Bottle O

The senior children will be running Bottle-O once again this year. Could all families please supply a bottle (your choice of contents excluding alcohol) for this event.

Tombola

This year we will introduce the Tombola instead of running a raffle.

Can all families please supply at least one item for the Tombola. These may be anything suitable for a raffle prize but keeping in mind the students can be playing this game as well.

Tombola = a lucky dip which is a table of prizes, each with a number on them. If you purchase a ticket which ends in 0 or 5 then match it up with one of the prizes on the table.

Family Challenge

This year's Family Challenge is to create a piece of Wall Art for our sensory garden.

The criteria for this event is (what the judges will be using to judge);

- The item must appeal to at least one of these four senses; Sight, Touch, Smell or Sound
- It must be no bigger than the dimensions; 50cm x 50cm
- It must be able to be secured on the timber fence surrounding the sensory garden
- You must consider Health and Safety in your design as this will become part of an outdoor learning area.

We look forward to seeing these so please make sure your wall art is at school by 2.30pm on Thursday 7th November ready for judging.

WEEK 1 CERTIFICATES

Value Certificates for Giving Respect

Kade Mitchell, Quinn Cooper-Mateman, Jack Heynes

Principal's Award
Guy Olds

Shake Out Day

All of our students participated in this nationwide event on Thursday 17th October at 1.30pm

EPro8 Challenge

by Roree McGrath Yr6

When we arrived at Chanel College I was feeling scared and excited at the same time. When I walked into the Epro8 part of Chanel College I could see that our team was facing 6 or more other teams. About 2 minutes later a man talked to us about how all of the parts/tools work. After he told us about the rules, there was a rollercoaster thing which had orange balls that went down it and one person from each team had to go up and get one, Harry went up to get it in our team, our team name was Newline. After Harry got the orange ball Aria, Harry, Annabel and I all rushed back to our working space. Harry twisted the ball which made it open, and we had to create a Trolley. Other teams made different things, so each orange ball had a different piece of paper that said something else, for example your paper could've said "Build a 45cm tall rollercoaster." It was really fun creating a trolley that could be controlled by itself, it took a lot of time, but it was worth it! The Epro8 was FUN!

COMMUNITY NEWS

Memorial plaque unveiling for Francis Mardon who lost his life in the Pike River Mine, 2010. This has been mounted on the frame of the hall mural made by his brother David. A special thank you to Doug McKenzie and the Domain Board for your organisation of this event.

We don't want to speak to soon BUT...

THE SOCIAL CLUB WILL BE SCREENING A SEMI FINAL AT THE HALL!

Sat 26th Oct 9pm game start OR Sun 27th Oct 2pm game start

(will see how this competition plays out and confirm later)

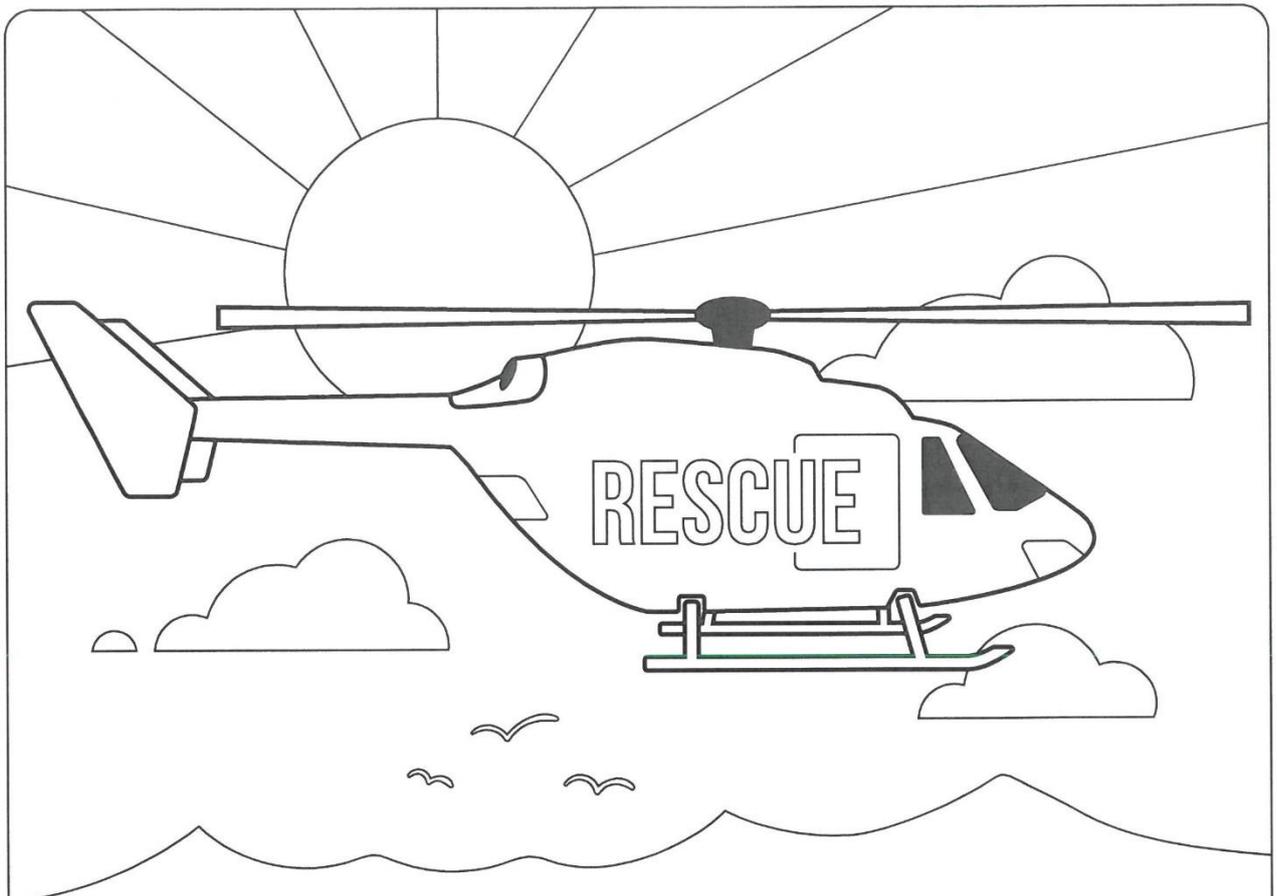

BYO drinks and some nibbles to share before the game.

Please complete this form and return to The ~~Bush Districts Agricultural Committee~~ ^{SCHOOL OFFICE}
By email to ~~bushdistrictsag@gmail.com~~ ^{By 11th November 2019}

Child's Name:	
School:	School Year Level:

Lamb Name:				
Lamb Breed: (Circle One)	Blackface	Romney	Other Long Wool	White Face Short Wool

When completing the following section please provide details of the calf attending the show. A copy of this form may be sent to the Ministry for Primary Industries for the purpose of safeguarding the show from the effects of Mycoplasma bovis. MPI will conduct a check of the provided RFID numbers to ensure that the cattle are of no interest to the M. bovis Programme.

Calf Name:					
Breed: (Circle One)	Fresian	Jersey	Other	Cross bred	Beef
	Example		Your Calf's Details		
Farm of origin NAIT Number	123456				
NAIT Visual ID	ABCD-19-34				

Please note: All cattle will be RFID scanned when entering the show ground. Any cattle that are non NAIT compliant will not be permitted to enter the show grounds.

All competitors must not allow their animals to drink from the troughs on the old school grounds – but they can fill their buckets from this source to take back to their animals.
