## General Description

Alfredton School is a rural U1, full primary. The school is 47 km north of Masterton and 19 km east of Eketahuna and is in an attractive rural setting (golf course alongside and the domain nearby). The pupil catchment area is approximately within a 23 km radius, with all of our children travelling to school on a Ministry Direct Resourced bus service operated by the school. The Alfredton District is mainly a beef and sheep farming area where a strong community spirit exists and both parents and the wider community are actively involved, interested and supportive of school life. The school fundraising team, ASCA, are the driving force behind the school's fundraising and provide support for all major events. Our staff and Board of Trustees strive to provide a secure environment for children to learn and develop, for staff to grow professionally. They are committed to "Excellence in Education" and ensuring that the wellbeing of all children and staff is paramount in their policies and procedures.

## Māori Dimensions and Cultural Diversity

Alfredton School ended 2022 with a roll of 45 students, with 20% of these students identifying as Māori. Our students come from a range of iwi. We recognise and respect the cultural diversity of all families at our school. The school promotes the importance of New Zealand's cultural diversity and the unique position of Māori culture. This is demonstrated through:

- ❖ Consultation with our Māori community on charter development and student achievement.
- ❖ Policies and procedures that reflect New Zealand's and Alfredton School's community and cultural diversity.
- ❖ Providing all students with experiences and understanding in cultural traditions, language and local history.
- ❖ Visits by students and staff to local marae
- ❖ Enriching the NZ Curriculum with Māori Language and Māori cultural perspectives.
- ❖ Ensuring planning and teaching incorporates Te Ao Māori through Te Reo and Tikanga Māori.

The Board will consider any requests from parents for instruction to be delivered in Te Reo Māori and all reasonable steps will be taken to explore possibilities for extending the current provision e.g. dual enrolment with Te Kura, consulting with Māori Education Services, advising whanau of the nearest school that provides a higher level of instruction in Te Reo and Tikanga Māori (if available).
