Inspiring learning for a lifetime ~ Little acorns to mighty oaks

Newsletter ~ Wednesday, 24 May 2023

Kia ora,

Today our Year 8 students are at the National Young Leaders Day in Palmerston North. They will be listening to speakers sharing their inspirational stories.

Next week the Rural Schools Road Race date has been changed to Thursday 1st June. This date change, although inconvenient for us at Alfredton, is beyond my control and has been made for a variety of reasons. A letter will be sent out today with further information about this event. Please send the reply slip back to school this week.

You may have seen in the media that NZEI (teachers' union) are negotiating with the Ministry this week. If these negotiations are unsuccessful they will hold a one-day strike on Wednesday 31st May. A decision will be made on Sunday evening. If the decision to strike is taken I will notify you on Monday.

On Tuesday the majority of Huia class will be taking part in the Tough Guy and Gal Challenge in Palmerston North. Mrs Robertson will teach those who are still at school along with Tui children. Rachael and Val will also be in school. Mr Gardner will be going to Palmerston North with Huia children. Myself and Mrs Bond will be out of school at a Maths Leadership meeting.

One of our bus drivers will be leaving us at the end of term. We therefore have a vacancy for a driver. If you are interested in this position, please contact me as soon as possible. If you already hold a P licence that would be advantageous.

Have a great week.

Nga mihi nui

Alison

Remutaka Hill Road possible one hour closures four mornings next week

Kia ora,

This email is to advise you that the Remutaka Hill Road may be closed between 9.30am and 10.30am, Monday 29 May and Thursday 1 June. If you have any trips to Wellington planned during these dates, you may wish to avoid travelling on the Remutaka Hill Road during these times to avoid delays.

The closures are a result of a joint operation being undertaken by DOC, Waka Kotahi, NZ Rail, New Zealand Native Forests Restoration Trust and Greater Wellington to control feral goats on or near the Remutaka Hill Road. The safety of those that use the Remutaka Hill Road is our number one priority. This operation aims to reduce the risk of feral goats causing an accident on the road.

This aerial operation can only be completed in good weather, so we are unable to provide specific road closure dates. If you have any questions about the road closures please contact customer@wta.nzta.govt.nz. If you have any questions about the aerial operation contact masterton@doc.govt.nz.
