Tohaina ō painga ki tea o Share your gifts with the world

Kia ora,

I hope that you all enjoyed a lovely Easter weekend with your children.

Tuesday 9th is the Tararua Rippa Tournament in Pahiatua. We have a Year 5/6 team and a Year 7 team entered. As yet I don't have any further information but I will let you know as soon as I receive details from the organisers.

Next term, week 4, will be school camp week for all of our Year 5, 6 and 7's. The children will be heading to Forest Lakes, Otaki for the week. We have organised a number of activities which will take place at camp and a day trip out. Thanks to the awesome fundraising by ASCA the camp cost is zero. More information will go home next week for the children in Years 5, 6 and 7.

Whilst the older children are away at camp Tui class and the Year 4's will be heading out for two day trips. Again, this is down to the generosity of ASCA and their amazing fundraising.

In last week's newsletter I gave some information about developing the childrens' agri skills. Thank you to those who have offered to spend an afternoon with Huia children sharing a skill / knowledge with them. I am still looking for more people who can help us to make this an exciting experience for the children. If you can help out please let me know.

The children have already begun practising for cross country. We host the Bush event every other year, this year it will take place on Thursday 6th June, with a postponement date of 11th June. Sue McKenzie has done an amazing job over a number of years managing this event but unfortunately is not able to manage the event this year so I am looking for others who can help out. I will need people to set up the course and marshall on the day. Please let me know if you can help out.

Have a good week.
